

Stem Cell & Regenerative Medicine Global Congress 2014

Acceleration of Translating Scientific
Discovery into Stem Cell and
Regenerative Medicine

September 24th, 2014
Room 325, EXCO, Daegu, Korea

I N V I T A T I O N

Invitation for "Stem Cell & Regenerative Medicine Global Congress 2014"

SRGC 2014 will provide you with prestige chances not only to develop a solid network enabling to accelerate the translation of discovery into true value through safe and effective medical setting, but also to establish collective Strategic, Regulatory, and Scientific intelligence from the world-class presentations and panel discussion.

PLENARY SESSION

- Robert M. Nerem (Georgia Institute of Technology)
- So Ra Park (GSRAC)

STRATEGIC SESSION

Accelerating the commercialization of stem cell
therapeutics & regenerative medicine

REGULATORY SESSION

Facilitating the availability of safe & effective stem
cell therapy & regenerative medicine

SCIENTIFIC SESSION

Establishing and optimizing intelligence to harvest
true fruits from the stem cell researches

So Ra Park
Director
GSRAC
